SEEDING OF TEAMS FOR COASTAL “A” CUP

The top three (3) or four (4) teams will be seeded in the order in which they finished the regular season. *(If the League games are not completed but the top three or four teams are identified before cup play, they will be seeded. However, if this cannot be established, the League standing at the completion of the first round of league play would be used. If the first round cannot be completed there will be no seeding.)*

If divisions are split into two groups, “A” and “B”, the teams will be seeded according to the results of the league title play-off games. *The top two (2) teams from each side will play off (1 v 2 from other side, two winners play for league title). The seeding will be done after the play-offs.*

If there is no time for completion of the play-off games, before the cup seeding, the team with the most points will be number one seed, the third and fourth seeds will be the second team in each division and the team with the most points will be third seed.

If divisions are split into two groups with a cross-over, the top two teams from each side will play off.

If there is no time for completion of the play-off games before the cup seeding the team with the most points will be number one (1) seed, the top team of the other group will be next, followed by the second team with the most points.

If for any reason there is need of a tie breaker, that tie breaker is as follows:

1. *Goal difference (goals for minus goals against).*
2. *Goal average (goals for divided by goals against).*
3. *Head to head.*
