## 4-District Youth Soccer League

### WELCOME TO THE 4-DISTRICT SOCCER LEAGUE

We want the 5,000 U-11 to U-18 players in the League to have a great season. Please read this Guide to find out how things work. Here are some key points to help make your team's season enjoyable.

**Read this Guide.** The following is only a brief overview – the remainder of the Guide explains how the 4-District League works, the formal rules and procedures, and your rights and responsibilities. Every District, Club, team official, game official and player shall uphold the rules and policies set out by BCSA and the 4-District League.

Ignorance of the contents of this Guide will not be considered an excuse.

**Soccer is a game; it is for fun.** Let the kids play. Parents, spectators and team officials should stay in the background.

No District or their representative or any club, team or referee can override the rules and policies within this Guide without the written permission from the 4-District Board.

**Read the Code of Ethics, FIFA Laws of the Game & Fair Play Code.** Ensure players know the FIFA Laws of the Game and play fairly. Sport involves respect for the opposition and game officials; team officials must develop this by their words and actions.

The **Divisional Liaison** is your main contact. They will phone or e-mail you with schedule or game changes; you report scores and direct questions to them. See information regarding Divisional Liaisons on Page 5.

**U-11 to U-18 Schedules** as well as official standings for U-13 to U-18 are available at [www.bcsoccercentral.com](http://www.bcsoccercentral.com).

Don't forget to "refresh" the website on a regular basis to have the most up-to-date version of the schedule and all other information. There will be no standings published for U-11 or U-12.

Teams should expect to play their games on Fridays, Saturdays or Sundays. However, some teams may play home (League and/or Cup) games at night. Check your schedule.

While most of the rules in this Guide pertain to all teams, please see Page 12 for U-11 & U-12 Program rules and Page 9 regarding Intra-Club Permits.

**All divisions may be realigned** the Monday before Thanksgiving with teams moving up or down depending on the results of the first four (4) games. A revised schedule and standings table will be issued after the 5<sup>th</sup> game. (Requests are not required). See Changes to Leagues on Page 6.

**The 4-District Cup** starts in October for U-13 to U-18 teams. Rounds will take place on weekends designated in the schedule in January and February. League games for teams involved in cup play that weekend will be cancelled. See Cup Play and the Rules on Page 15.

There is an **alternate field** allocated for each main field. If the main field is not playable, games must be played on the alternate field if the referee determines that it is playable.

For information regarding **field status** see Field Information on Page 4.

Schools and parks must be kept clean. Take home your half-time refreshment debris.

**Call the opposition by 7 pm the night before each game** to make sure both teams go to the right field at the designated time. It is the home team's responsibility to make the call; they may forfeit if they do not. Away teams should call if they have not heard from the opposition. Home team must confirm changes to published details immediately.

**Only play players registered to your team.** Cheating by playing ineligible or illegal players will lead to forfeits and serious discipline. The only exception is a player who has officially transferred or is playing on an Intra-Club permit.

**Supply and get team lists at each game.** Use the blank at the front of this Guide. Before the commencement of the game give two completed copies to the referee, and ask for your copy of the opponent's list.

**BCSA Photo ID cards** – all players and team officials must present photo ID for all games from October 1<sup>st</sup> onwards. See Page 8 Photo ID.

Teams failing to produce ALL of their BCSA photo ID may be suspended from play until they comply.

**Make sure players and spectators are aware of the red card offenses** and that ejected players and team officials reported for misconduct are not to take part in the handshake. See Discipline on Pages 17 to 21.

**Dissent from team officials, players or spectators is unacceptable.** There will always be calls you disagree with; everyone has to learn to accept that aspect of sports. Do not question calls, or badger or harass referees during or after the game. This is a "zero tolerance" issue. Any verbal or physical abuse of referees will lead to very serious penalties

**The onus is on everyone to put an immediate stop to any racial slurs or derogatory commenting.**

**Coaches are the most important influence on players.** Coaches who positively guide, mentor and help players will give a lifelong enjoyment of the game.

**Referees are in charge of the game.** They are trained and assessed to develop their skills. They need each team's support and respect in carrying out their duties. See No Referee for a Game on Page 10.

**Team officials are responsible and accountable for the behaviour of parents and supporters.** Where field configuration permits, both teams' officials and their players must stand on one side of the field while both teams' spectators will stand on the opposite side of the field. Speak to your fans before the referee has to request you to do so. If requested by the referee to control sideline behaviour, a team official could be reported for failing to use best efforts to comply with this request.

**Games cancelled for weather or other reasons will not be made up. Field space is limited;** to allow teams to play a maximum number of games, the league does not set aside additional time for make-up games.

**Win or lose always phone in or e-mail scores by Sunday,** at a time agreed upon by your Divisional Liaison. If neither team reports a score, it may be recorded as a double forfeit.

## 4-District Youth Soccer League

### CODE OF ETHICS

#### Harassment

**Harassment is a form of discrimination that will not be tolerated by BCSA, nor the 4-District Soccer League. It is defined as a verbally uttered or written (or e-mailed) comment, conduct or a gesture directed towards an individual or group of individuals, which is insulting, intimidating, humiliating, malicious, threatening, degrading or offensive.**

**Disciplinary sanctions vary from a verbal apology to expulsion from membership.**

#### Poaching

The BCSA forbids poaching. It is a serious offense and the penalty is severe. Poaching refers to situations where a team, through its responsible officers or representatives, attempts to induce a registered player of any team under the jurisdiction of the League to leave his team before completion of his team's league or cup commitments have been fulfilled and the defined season is completed.

Complaints of team officials poaching players from one club to another in the same district will be dealt with by that District's Board.

Poaching between one district and another district will be dealt with by the BCSA.

#### Fair Play Handshake

FIFA's Fair Play Handshake policy directs teams to have a pre-game handshake as well as an end-of-match handshake. The 4-District Board suggests that the end-of-match handshake should only be done if both teams are still respectful of each other.

#### Team Officials & Spectators

Remember that children play organized sports for their own fun. They are not miniature professionals.

Be on your best behaviour. Don't use abusive, insulting, profane language or gestures or harass players, team officials, game officials or other spectators.

Applaud good plays or attempts by your own team as well as the visiting team.

Show respect for your team's opponents, without them there would be no games.

Never ridicule or scold a child for making a mistake during a competition.

Condemn the use of violence in all forms.

Respect the officials' decisions.

Always encourage players to play according to the rules.

Provide a healthy atmosphere for children to build both athletic and life skills.

Children model their behaviour after the adults who care for them and they often learn more from what they observe than what they are told.

It is important for adults to set a good example.

Stay off the field.

### COACHES

#### Safety

Your first responsibility is the health and safety of all participants. See page 10 re: Concussions.

It is recommended that coaches become certified in first aid and are aware of their club, league, district, or provincial requirements in this area.

Be prepared to handle first aid situations as well as medical emergencies at all practices and games, both home and away.

Have and know how to use a first aid kit and ice.

Know 911 procedures and the nearest telephone location.

Know the location of the nearest medical facility.

Follow up on all injuries with parents or guardians.

Know and understand the laws of the game, rules and policies.

Inspect players' equipment and field conditions for safety reasons.

Utilize proper teaching and instructing of players regarding safe techniques and methods of play.

Implement appropriate training programs to make sure players are fit for practice and competition.

Supervise and control your players so as to avoid injury situations.

#### Player Development

Develop the child's appreciation of the game.

Keep a proper perspective on winning and losing.

Be sensitive to each child's developmental needs.

Educate the players to the technical, tactical, physical and psychological demands of the game for their level.

Implement rules and equipment modifications according to the players' age group.

Allow players to experience all positions.

Players need to have fun and receive positive feedback.

Practice should be conducted in the spirit of enjoyment and learning.

Provide the appropriate number of training sessions and games according to each player's stage of development.

Strive to help all players reach their full potential and be prepared to move to the next stage of development.

#### Ethics

Strive to maintain integrity within our sport.

Set a standard of good sporting behaviour and work in the spirit of cooperation with officials, administrators, coaches and spectators to provide the participants with the maximum opportunity to develop.

Be a positive role model. Encourage them to "just say no to drugs and alcohol".

Encourage moral and social responsibility.

Keep the sport in proper perspective with education.

Coaches should continue their own education in the sport.

## 4-District Youth Soccer League

### U-11 to U-18 GENERAL INFORMATION

The Youth Soccer League operates under the constitution of the BC Soccer Association (BCSA).

Burnaby, North Shore, Richmond, and Vancouver Districts each have a Youth Soccer Association that is responsible for the general operation and promotion of soccer within its respective geographic boundaries, while the League is responsible for league alignment, discipline and game scheduling.

All affiliated youth teams are entitled to full participation in the league. The league will not accept any attempted forfeits of away games in (for example) Bowen Island, Gibsons, Sechelt, or Squamish.

#### 4-District Schedulers

Each member district provides one scheduler to collect their district's team affiliations, allocate playing fields and pairings and create league section or divisions for the league schedule. These four schedulers comprise the Scheduling Committee.

#### Intent to Play

By July 15<sup>th</sup>, Clubs must submit to their District Scheduler their list of viable teams for the season. In order to make league sections as competitive as possible, include as much information as you can to assist the Schedulers.

The first four weeks are not meant to try out a new level of play. The level of play should have been determined before hand.

The onus is on the clubs and teams to ensure they are entered into the proper league section before the schedule has been published. Only teams that are deemed to be seriously out-matched will be promoted or relegated. See page 5.

Where an organization submits more than one U-11 team, U-11 teams from that source are to be balanced, for example of approximately equal strength.

The League discourages the entry of teams comprised predominantly of younger-aged players at U-11.

A Club may not enter teams in an age group with the same name even if differentiated by a number.

#### More Than Three (3) Ex- MSL/BCSPL Players

Teams wishing to register more than three players who played for the MSL/BCSPL in

the previous season will require specific permission of the League.

District approval must be obtained first and then a written request must be submitted by the District to the 4-District League before their June meeting.

Written request must include the division, team name(s) and standings, the coaches' name, how many returning players from the previous season and the rationale for adding more ex-MSL/BCSPL players.

Teams found not to have received permission to register more than three (3) former MSL/BCSPL players for the season will have forfeits assessed for all games played to date.

#### Scheduling - Leagues

Where the number of teams allow for it, the League offers three levels of play, namely "Gold", "Silver" and "Bronze".

While most teams will be entered into the requested league section, final placement will be determined by the schedulers based on all information available to them at the time.

To allow better competition among limited numbers of teams, U-17 and U-18 Gold divisions may play in interlocked leagues based on their playing level. Teams in which all players qualify as U-17 age can declare themselves as a U-17 team, while teams with one or more U-18 aged players must enter as U-18.

For purposes of Provincial Cup Rules, a team declared as a U-17 team at the commencement of the season can only play in the Provincial Cup at the U-17 age level. Teams entered as U-18 at the commencement of the season can only play in Provincial Cup at the U-18 age level.

The League reserves the right to place teams at an age level above its own age group when it is deemed appropriate by the Board. The Board may promote or relegate teams that are improperly placed in a league.

#### Divisional Liaisons

Prior to the beginning of each season, the Board appoints Divisional Liaisons for each division. These individuals ensure teams are contacted regarding their games and schedule changes; they are also your principal contacts for score reporting.

In all cases, the Divisional Liaison works through the Scheduling Committee, and is the link between individual teams and the league. Under no circumstances should

any team treat information received from other sources as "official".

#### League Schedule

Team contact with the Schedulers is through the Divisional Liaison assigned to their league of play. Do not call the scheduler!

Schedules, contact lists and field locations can be found on the [www.bcsoccercentral.com](http://www.bcsoccercentral.com) website. To ensure the accuracy of this list, please make sure that your Liaison has your correct e-mail address, phone number and team responsibility.

Please note that teams generally play their games on Saturdays but due to field shortages and availability of turf fields, teams may be scheduled to play (League and/or Cup) games on other days or nights. Check your schedule.

#### Scores - League Standings

##### U-11 to U-18

Both teams will phone in or e-mail the score to the Divisional Liaison no later than the Sunday immediately after the game. If neither team reports the score, it may be recorded as a double forfeiture.

There will be no standings posted for U-11 or U-12.

Please be respectful of your opposition and refrain from running up scores.

Team officials who repeatedly run up the score will be required to address the issue with the 4-District Scheduling Committee.

##### U-13 to U-18

Unofficial standings can be found on [www.bcsoccercentral.com](http://www.bcsoccercentral.com). Errors in the unofficial standings must be brought to the attention of the Divisional Liaison within 4 weeks of the game being played.

Teams should also report to the Divisional Liaison any game which was cancelled due to field conditions, abandoned by the referee or where the opposition and/or the referee, or assistant referees at U-16 to U-18, did not "show". You should also mention if a team was not able to produce photo ID before the start of the game. See Pages 8 & 14.

See Fines and Performance Bond Schedule on Pages 19 to 21 of this Guide for the consequences of failure to comply with league operation and discipline requirements.

## 4-District Youth Soccer League

### REGISTRATION

#### General Information

Each season, all players and team officials must be officially registered with both your Club and District Registrars. The actual process may vary from district to district; consult your club officials or District Registrar. Check with your club regarding the Privacy Information Protection policy.

A player must be registered with their district at least 24 hours prior to a league game. A player must be registered 7 days prior to taking part in any cup competition. He must play at least one league game before he can play in any cup game for that team.

A player must reside in the district that he is registered in at the time of his first league game or the player is considered to be an Out-of-District player.

A youth-aged player may register and play outside of the district in which he resides with a validated Out-of-District form.

No affiliated team of youth-aged players may register more than five out-of-district players. Note: Districts' Parks Boards may have a policy of non-resident percentages. All players must comply with BCSA Rule 23, Zoning.

Clubs and Districts reserve the right to accept or reject the application of any player or team official.

Team officials must ask their players if they have already registered or played with any other team, in your district, another district or for a senior team, this season. Youth players are ineligible to play in an age division for which they attain the limiting age before January 1<sup>st</sup> of the current calendar year.

**Once a player is registered on a team, he must not play for another team unless he is officially transferred or is playing on an Intra-Club Permit.**

See General Information-Intent to Play.

A youth player can play for a senior team with permission but cannot play for a youth team once they have signed with a senior team unless they are reinstated in accordance with BCSA rules.

Once a player has completed the season that he turns 18, he is no longer eligible to play for a youth team.

#### Correct Year of Birth

Youth-aged players are grouped into divisions by their year of birth or later. In 2012-2013:

- U-18: Born in 1995
- U-17: Born in 1996
- U-16: Born in 1997
- U-15: Born in 1998
- U-14: Born in 1999
- U-13: Born in 2000
- U-12: Born in 2001
- U-11: Born in 2002

#### Players Must Prove Age

Players' new to divisional play must submit proof of age at the time of registration. A transferred player shall not be 'eligible' to play for the new team in any cup competition in which the player has already competed during the current playing season.

Proof of age includes birth or baptismal certificates, citizenship papers, passports or landing documents.

Documented proof of age may also be necessary from time to time. Affidavits may only be considered with multiple items of corroborating documentation acceptable to the District Registrar. Please do not submit original documents.

#### Unregistered Players

**The use of unregistered players is absolutely prohibited! There are severe penalties for using unregistered players. (See Page 21: 6 month suspension and a fine.)**

#### How Many Players Can I Sign?

U-13 to U-16 teams may register a maximum of 18 players while U-17 and U-18 may register a maximum of 20 players. If you exceed that limit, one player must be removed from your team (by whatever process your District has mandated) before another can be added. Photo IDs must be turned in as well.

See U-11 & U-12 Program Information, Page 12.

#### Inter-Provincial and International Transfers

Players (aged 12 and older) moving from one province to another (inter-provincial transfer) must receive written clearance from the Provincial Association with which he was last registered. A player moving from one Country to another (international transfer) must receive an International Transfer Clearance (ITC) from the Country with which he was last registered.

Check with your District for the proper procedure to be followed.

#### Player Transfers from One Team to Another

Once a team has played its first league game in the current playing season a BCSA transfer form must be used to transfer a player from one team to another.

The transfer deadline is January 15<sup>th</sup>. Player transfers must be filed with BCSA at least 1 day before any league play or 7 days before any cup competition.

(Check bcsoccer.net for transfer deadlines to or from an MSL or BCSPL team.)

District approval must be obtained prior to delivering the form to the BCSA office. It is the responsibility of the team "obtaining" the player to make sure the form and fee is received by the BCSA office. The player cannot play for his old team while awaiting transfer approval.

A transferred player shall not be 'eligible' to play for the new team in any cup competition in which the player has already competed during the current playing season.

A player transferred to a youth team must play at least one league game before playing in cup competition for the team to which he has been transferred unless under exceptional circumstances the Competitions Committee may grant an exception to this requirement.

U-11 & U-12 teams are allowed unlimited transfers while U-13 to U18 teams are limited to only three player transfers per playing season. The transfer forms can be obtained from the BCSA office, or from your club or District.

Players transferred from one team to another will require a new photo ID card with the new team information.

### PHOTO ID CARDS

#### Player Identification

From October 1<sup>st</sup>, onwards all U-11 to U-18 players and all team officials require a validated BCSA photo ID for all matches.

#### Getting Started on Photo ID Cards

Contact your District for photo ID procedure.

The BCSA photo ID cards must be stamped and/or initialled then laminated by the designated district official every year. Only then are the cards deemed valid ID cards. Any attempt to forge ID cards, or to give false information, will result in serious disciplinary charges against team officials, such as fines or suspensions.

#### Photo ID

Prior to the start of the game the front and back of all Photo ID cards will be checked by the referee. The ID cards will be retained until the game is over, and only the cards of players that have not been ejected will be returned.

Team officials must make sure they get the team's ID cards back at the end of the game.

#### Failure to Produce Photo ID

**From October 1<sup>st</sup> onwards it is the responsibility of team officials to make the team's BCSA photo ID cards available to the referee prior to the start of any game.**

Players and team officials without validated BCSA photo ID will be ineligible to play, coach or manage. Exception will require written permission from the District Discipline Chair or, when specific to registration, the District Registrar. This would have been done in advance of your game.

If a team official chooses to play an ineligible player, or for themselves to coach/manage, without a validated BCSA photo ID card the referee will inform the opposition. The person will be allowed to play, coach or manage and the referee will include this information in his game report. The team official(s) will assume responsibility with regards to the discipline outcome.

*See Fines & Performance Bond, Page 19, "Any team official who knowingly plays a suspended (ineligible) or unregistered (illegal) player) is subject to a 6 month suspension from all soccer related activities.*

Also refer to Page 2.

#### Lack of "ALL" BCSA Photo ID

Players and team officials without validated BCSA photo ID will be ineligible to play, coach or manage. Exception will require written permission from the District Discipline Chair or, when specific to registration, the District Registrar. This would have been done in advance of your game.

Teams that are unable to provide the referee with all of the team's photo ID's or the above mentioned documentation prior to the start of a scheduled game will default the game, with the points going to the non-offending team. This decision will be made by the League, not the referee.

With the agreement of both teams, the game may proceed as a "friendly". The referee will include this information in his game report. Team officials should be aware that any cautions, ejections or misconduct resulting from this "friendly" are subject to normal discipline procedures.

**Should both teams fail to produce satisfactory photo ID, the result will be a double forfeiture. See pages 8, 14 & Error! Bookmark not defined..**

**Teams failing to produce "all" of their BCSA photo ID may be suspended from play until they comply.**

#### Ejections & Photo ID

Should a player commit a "red card" (ejection) offense that player's photo ID card will be retained by the referee and forwarded to the Home District's Discipline Representative.

Photo ID will be retained by the District Discipline Rep until the player is eligible to play again, at which time it is the team official's responsibility to retrieve the player's photo ID from the district. See addresses on the Communications page.

## 4-District Youth Soccer League

### RULES OF PLAY

#### General Rules

Games are played under the guidelines established by the BCSA. Any item in this Guide is subject to the operating rules of that body.

U-11/12 Program teams should refer to specific rules on Pages 12 & 13.

For more extensive rules refer to FIFA's Laws of the Games.

#### Decorum

Team officials must take an active role in maintaining discipline on the sidelines and controlling not only themselves but their parents, fans and substitute players. Team officials will be held responsible for activities on the sidelines.

#### Duration of Game

U-18 and U-17	2 x 45 min
U-16 and U-15	2 x 40 min
U-14 and U-13	2 x 35 min
U-12 and U-11	2 x 30 min

#### Size of the Game Ball

U-18 and U-13	#5 ball
U-12 and U-11	#4 ball

#### Home Team

**Call the opposition by 7 pm the night before each game** to make sure both teams go to the right field at the designated time. It is the home team's responsibility to make the call; they may forfeit if they do not. Away teams should call if they have not heard from the opposition.

#### Field Lining

Home teams must line the field to the satisfaction of the referee. Please use sports field whitening or some other non-toxic material for this purpose. Lime should **not** be used.

#### Corner Flags, Nets & Balls

The home team must provide corner flags standing a minimum of 5 feet above the ground for all divisions.

**"Bicycle flag" type corner flags are not permitted, as there have been cases of severe eye injuries sustained by players.**

The home team must also provide nets for all matches as well as a game ball of appropriate size.

#### Number of Players

Seven registered players, one of whom must be a goalkeeper, are required to begin a game at U-13 to U-18. Less than

seven players is a default. Under no circumstances are teams to use players not registered on their team unless they have been officially transferred or are playing on an Intra-Club Permit.

#### Jerseys & Team Colours

To assist the referee, jersey numbers are required for teams at U-11 to U-18 for all levels. Each player on the team must have a number on his jersey. To avoid complaints of ineligible players that number must not be duplicated and must correspond to the jersey number on the team list.

See page 19 *Fines & Performance Bond Schedule* for consequences if team officials are found to have used ineligible players.

Teams must communicate with their opposition to avoid same colour jerseys. In the event of a colour clash (both teams have the same colour strip), the home team must change to avoid confusion.

If used, bicycle-type shorts must be the same colour as the shorts worn by the players.

#### Headwear & Jewellery

Religious headwear may be worn at games, however, all jewellery must be removed. The only exception is for Medic Alert and religious bracelets but they must be totally covered by tape so as not to cause injury to the player or anyone else. All piercings must be removed.

#### Casts

Providing the cast is completely covered by bubble wrap or foam the referee can make an observation and decide whether it is of danger to the player or anyone else.

#### Concussions

It's important that team officials educate themselves about the seriousness of concussions and when the player can safely return to play. Refer to "*What Should I do If an Athlete Gets a Concussion?*" on [www.sportmedbc.com](http://www.sportmedbc.com). Best policy is: "*when in doubt sit them out.*"

#### Team Lists

Using the team list form, found at the front of the Guide, as a "master", teams shall provide game officials with two copies of their team lists before the commencement of the game.

Full names, jersey numbers and division level must be printed clearly on the team list. Names should be given as registered with BCSA – no nicknames.

It is the responsibility of the team official to give the team list to the referee and to obtain the opposing team's list.

Teams may lodge challenges concerning ineligible players at half time or at a throw-in or corner kick. The referee will witness the challenge.

**Photo ID** – see Page 8.

#### Start Your Game on Time

Games are to start promptly at the scheduled time. Should the opposing team not be at the field by the scheduled time, the referee will wait for 15 minutes. If the team does not show by that time, the game will be called.

The referee may be requested to submit a game report to the 4-District Scheduling Committee and that committee will make a decision as to the outcome of the game not played.

#### Fair Play Handshake

FIFA's Fair Play Handshake policy directs teams to have a pre-game handshake as well as post-game handshake. The 4-District Board suggests that the end-of-match handshake should only be done if both teams are still respectful of each other.

#### No Referee for a Game?

If the referee has not shown 15 minutes after the designated game starting time and both teams agree to play the game, the home team will referee the first half and the visiting team will referee the second half, unless it is agreed that one person will referee the whole game.

The League does not schedule "friendly" or "exhibition" games. If however, the teams wish to play the game as a "friendly" then they must sign and exchange team lists in advance of the game, indicating on the list that they are in agreement to the "friendly". Scores will be recorded as reported if these team lists are not signed and exchanged in this manner.

Every effort should be made to play the game. If the teams do not agree to play the game, the game will not be re-scheduled.

A team official should report if no game officials were present by following the link at [www.4districtsoccer.com](http://www.4districtsoccer.com).

#### Substitutions

**Unlimited substitutions are permitted in all league and cup games. Substitutions may be made at a stoppage in play at the referee's discretion.**

## 4-District Youth Soccer League

Substitutes must wear jackets when on the sidelines so as not to be mistaken for a player. The player should have his jacket off and be ready to play as soon as the coach receives permission from the referee for the substitution.

The player being substituted must be off the field before the new player enters.

### Entering/Re-entering the Field

Will only be allowed with the referee's permission.

### Offside

Whether a player is offside or not is strictly the referee's decision. It is not an offense to be in an offside position unless, in the referee's opinion, the player is involved in active play by interfering or gaining an advantage at the moment the ball is touched or played by one of his team. Coaches, supporters and unofficial (parent/fan) club linesmen are to refrain from advising referees of offside calls.

### Club Linesperson U-11 to U-15 (Parent/Fan)

If you are a "club linesperson", your only job is to call the whole ball "out". At no time shall "club linespersons" call or indicate offside.

Coaches are discouraged from acting as linespersons as it impedes their ability to properly guide their team during the game.

### Coaching from the Sidelines

Coaching is not allowed at the goal end of the field. Players should not warm up in this area, and playing gear should not be left in the area of the goal posts. Fans must not be in the vicinity of the goal ends.

### Fan Behaviour

Where field configuration permits, both teams' officials and their players must stand on one side of the field while both teams' spectators will stand on the opposite side of the field.

Team officials are responsible for the behaviour of their fans. Speak to your fans before the referee has to request you to do so. If requested by the referee to control

sideline behaviour, a team official could be reported for failing to use best efforts to comply with this request.

### Hands Off

If you're trying to get someone's attention do not put your hands on them. In this day and age you could be charged with assault.

### Red Card Offenses

It is the responsibility of team officials to inform their players as to what constitutes a "red card" offense. Ignorance of the FIFA Laws of the Game will not protect a player from expulsion.

If an individual is ejected from the game or is requested to leave, the best practice may be to go to a car and keep the windows rolled up. At the very least they must immediately leave the vicinity of the sidelines and technical/coaching area.

Neither an ejected player nor a team official who has been sent from the area for misconduct may take part in the post-game handshake.

### A Reminder for All Teams

School and park permits are subject to cancellation if alcoholic beverages are brought, dispensed or consumed on a park or school site.

Schools and parks must be kept clean. Take home your half-time refreshment debris.

### Artificial Turf Field Rules

Footwear must be cleaned on mats or the boot scrapers provided outside the entry gates before the players enter the field. No screw-in stud footwear are allowed, including metal or plastic studs. This rule will be strictly enforced.

Only team officials and players registered to the team are allowed inside the fenced area. Spectators must remain outside the fenced area.

### Bad Weather Directions

See Communications on Page 4 for contact information.

**As weather becomes poor, games will be moved to all-weather surfaces or cancelled outright by the Schedulers.**

**Field decisions may not be uniform throughout our playing area. Fields may be closed in one municipality while they are open in others.**

The 4-District Schedulers will notify the clubs within their district if all league play is cancelled within their district or if certain fields are known to be unplayable due to snow, ice or flooding. The home team must notify their opposition as soon as possible of the cancellation or change. Failure to do so can result in a forfeit by the home team.

If there is no "blanket" closure in your district, but you know that the field you are scheduled on is either snow-covered, frozen or flooded, contact your District Scheduler to let them know and they will take the steps necessary to cancel or change the game. If you do not hear via your District Scheduler and your Club that the game has been cancelled, both teams should be in attendance to play as scheduled and the referee will make the decision as to the playability of the field at game time.

### Called League Games (Abandoned due to Field & Weather conditions)

Games that are called **prior** to the commencement of the second half due to deteriorating field and weather conditions or because of limited time constraints on turf fields for example lights will be recorded as cancelled. These cancelled games will not be included in the standings and will not be made up at a later date.

Any game that is called **during** the second half due to deteriorating field and weather conditions or because of limited time constraints on turf fields for example lights will be considered complete. The score at the time the game is called will be recorded as the final result.

Called League Cup Games, see page 15.

## 4-District Youth Soccer League

### U-11 & U-12 PROGRAM INFORMATION

All rules in this Guide pertain to everyone. However, the following are some rules specific to small-sided soccer / mini soccer.

#### Background to Small-Sided/Mini Soccer

Soccer organizations worldwide encourage increased use of small-sided/mini games in player development. The U-11/12 Program is an important part of the BCSA Long Term Player Development Mode (LTPD). Modifications of the Laws of the Game, for each age group, appear in the "Grassroots" section at [www.bcsoccer.net](http://www.bcsoccer.net).

The BCSA age-group specific modifications of the FIFA Laws of the Game shall apply to U-11 and U-12 soccer.

#### The U-11 & U-12 Program

LTPD is a player-centered (player first) approach that provides guidelines for correct training, competition, and recovery based on scientific principles of human development and athlete training, combined with the knowledge of expert coaches.

Player-centered means we respect the developmental needs of our players first and foremost. We ensure that our young players have fun while they learn so they want to continue playing. It also means we provide challenging opportunities for special talents so they can develop their abilities and pursue excellence.

**GOAL:** Focus on technique, skill development and introduce tactics. Talent identification is introduced but *FUN* is still paramount to this stage.

**PERSONAL:** Fair play and ethics. Accept training structure and discipline. Promote group interaction skills and internal motivation.

"A coach's mission is essentially to convey knowledge and social skills to young players. To achieve this, the coach must understand children's characteristics and take into account age and skills. In short, the coach must teach **through encouragement and achievement**. "Play" is children's main activity, an essential need and innate in all children. Thus, the main objectives of soccer at these ages are to introduce children to the practices of soccer through play".

LTPD encourages players to enjoy the game and improve their performances through:

- Logical and integrated training and practice programs.
- Application of scientific principals in growth, development and maturation.
- Provision of an optimal structure for competition at all stages of LTPD.

BC Soccer recommends all member clubs commit to supporting and promoting a responsible, ongoing, progressive evaluation and assessment process as it relates to player identification, selection and placement. This would include the removal of the reference and promotion of the "TRY OUT" mentality within their club and team atmosphere. All evaluations and assessments should be conducted under the direction and guidance of the technical lead and supported by experienced and trained coaches within the community stream of development.

All games are to be played with an emphasis of enjoyment, sportsmanship, responsible player development and talent identification practices, education and respect for teammates, opponents and referees. Players must play equal time and experience a variety of positions including the goalkeeper.

Some coaches will always want to win at all costs, regardless of whether or not there are league standings. This is an unfortunate reality of community children's sport. However, the LTPD approach to competition below U-12 provides the best overall incentive for coaches and players to focus on broad based player development instead of a "win at all costs" approach.

See BCSA Long Term Development Policy for additional information.

There is no league or cup to "win". Participant organizations stream approximately their strongest 35% of players into 4-District U-11 divisions. The remaining 65% play U-11 within their home district. Where an organization submits more than one U-11 team, U-11 teams from that source are to be balanced. For example of approximately equal strength.

The League discourages the entry of teams comprised predominantly of younger-aged players in U-11.

At U-12, all teams play in 4-District, with each team playing in one of about 10 divisions of different calibre.

#### Fair Play Handshake

FIFA's Fair Play Handshake policy directs teams to have a pre-game handshake as well as a post-game handshake. The 4-District Board suggests that the end-of-match handshake should only be done if

both teams are still respectful of each other.

#### Don't Run Up the Score

Please be respectful of the opposition and refrain from running up the score. Team officials who repeatedly run up the score will be required to address the issue with the 4-District Scheduling Committee.

Schedules and contacts can be found on [www.4districtsoccer.com](http://www.4districtsoccer.com).

Scores must be reported to the 4-District Liaison after each game for placement purposes only and discipline tracking purposes.

#### Number of Players

U-11 and U-12 teams must register a minimum of 12 players to constitute a team by BCSA rules. BCSA recommends a squad of between 12 and 16 players for U-11 and U-12 teams.

#### Basic Information for Coaches and Managers of U-11 & U-12 Teams

**Read the entire Guide.** This explains how Soccer operates, the formal rules and procedures, and your rights and responsibilities as a coach, parent or player.

**Your Division Liaison is your main contact regarding the schedule.** Your 4-District Liaison will e-mail you with schedule changes and inform you how to communicate scores and questions. The U-11 schedule will appear on the BC Soccer central website but scores and standings will not be published.

Clubs must ensure that 4-District U-11 and U-12 game referees as well as coaches and managers know the procedures regarding photo ID and team lists.

#### Club Linesperson U-11 to U-15 (Parent/Fan)

If you are a "club linesperson", your only job is to call the whole ball "out". At no time shall "club linespersons" call or indicate offside.

Coaches are discouraged from acting as linespersons as it impedes their ability to properly guide their team during the game.

**Referees are in charge of the game.** Most of the referees for U-11 and U-12 are youth divisional soccer players themselves. They are trained, and they know the laws of the game, but some of them will have limited refereeing experience. They need coaches' and parents' support and respect in carrying out their duties. **Dissent from team officials or players is unacceptable.** **Regular Discipline applies to U-11 and U-12 games.**

## 4-District Youth Soccer League

'Let the kids play'. Soccer is a game; it is for fun. Parents, spectators and team officials should stay in the background.

### Scheduling: U-11 & U-12 Program Specific Information

Most districts will have district-specific rules for the use of fields for U-11/U-12 soccer. It is especially important, where games are played across full size fields, that spectators do not stand in the full size field's goal area. Damage to fields by spectators may lead to loss of fields from the U-11/U-12 pool. The home team is responsible for marking the field, providing nets, and managing the impact of spectators on the fields.

### BCSA Modifications to the FIFA Laws of the Game, for U-11 & U-12

#### Law 1 – The Field of Play:

Length: 60 (Min) 75 (Max) Metres

Width: 42 (Min) 55 (Max) Metres

Field Markings: Distinctive lines not more than fifteen (15) centimetres wide. The field of play is divided into thirds and by a centre spot that is located at the midpoint. A circle with a radius of nine (9) metres may, but not mandatory be marked around it. An offside line parallel to the centre line should be marked from touch line to touch line at the attacking third mark. NB: All field markings may be marked by the means of cones (woss-markers)

Goal Area: None

The Penalty Area: A penalty area is defined at each end of the field as follows:

Two lines are drawn at right angles to the goal line, eleven (11) metres from the inside of each goalpost. These lines extend into the field of play for a distance of eleven (11) metres and are joined by a line drawn parallel with the goal line. The area bounded by these lines and the goal line is the penalty area. Within each penalty area a penalty mark is made nine (9) metres from the midpoint between the goalposts and equidistant to them.

Flag Posts: Conform to FIFA if used, (they however are not mandatory).

The Corner Arc: Conform to FIFA if marked, (they however are not mandatory).

Goal Posts: Goals must be placed on the centre of each goal line and measure 5.486 x 1.981 metres, 18 feet wide and 6.5 feet high.

**Law 2 – The Ball:** The ball must conform to FIFA standards and must conform to the FIFA inflation specifications. Size four (4).

**Law 3 – The Number of Players:** A match is played by two teams, each consisting of not more than eight (8) players, one of whom is the goalkeeper. A match may not start if either team consists of fewer than seven players one of whom is the goalkeeper. All players shall play equal playing time.

Substitutions: At any stoppage, substitutions are unlimited and must be done with the officials' permission.

**Law 4 – The Players Equipment:** Conform to FIFA. Non-uniform clothing is allowed based on weather conditions, but uniforms must still distinguish teams. The goalkeeper should wear a colour that distinguishes him/her from both teams. Shin guards are mandatory and must be worn under the socks. Jewellery is not permitted. (see page 10 for specifics)

**Law 5 – The Referee:** A Small-Side Referee or higher official must be used. The referee's role is to keep players safe and ensure that the game is played under the "fair play" code. A Small-Side Referee or higher official can send a team official from the field if they fail to conduct themselves in a responsible manner.

**Law 6 – The Assistant Referee:** A nominated person whose sole responsibility is to indicate when the ball goes out of play.

**Law 7 – The Duration of the Match:** The match will be divided into two (2) halves of

thirty (30) minutes each. There shall be a half-time interval of five (5) minutes.

**Law 8 – The Start and Restart of Play:** Conform to FIFA with the exception that opponents of the team taking the kick-off are at least nine (9) metres from the ball until it is in play.

**Law 9 – The Ball In and Out of Play:** Conform to FIFA.

**Law 10 – The Method of Scoring:** Conform to FIFA.

**Law 11 – Offside:** Conform to FIFA with the exception of only occurring in the attacking third.

**Law 12 – Fouls and Misconduct:** Conform to FIFA with the exception that an indirect free kick is awarded to the opposing team at the centre spot on the halfway line if a goalkeeper punts or drop-kicks the ball in the air from his/her penalty area into the opponents penalty area. Cautionary and expulsion cards are used.

**Law 13 – Free Kicks:** Conform to FIFA with the exception that opponents are at least nine (9) metres from the ball. An indirect kick awarded to the attacking team that occurs inside the penalty area, shall be taken from the outside edge of the penalty area in line where the offense took place.

**Law 14 – The Penalty Kick:** Conform to FIFA with the exceptions that the penalty mark is marked at nine (9) meters from the goal line. All players except the player taking the kick must be nine (9) metres from the ball.

**Law 15 – The Throw-In:** Conform to FIFA.

**Law 16 – The Goal Kick:** Conform to FIFA except that it shall be taken from anywhere within the penalty area. Opponents must remain at least nine (9) metres away from the ball until it is in play.

**Law 17 – The Corner Kick:** Conform to FIFA with the exception that opponents remain at least nine (9) metres away from the ball until it is in play.

## 4-District Youth Soccer League

### REFEREES

Each Club or district must provide a qualified uniformed referee for each home game, U-11 through U-18, and whose job it is prior to the start of the game, to check the team lists, BCSA photo ID's, players' shin guards and cleats. Thereferee may delegate any portion of this requirement to the AR.

#### Assistant Referees (AR)

For all U-16 to U-18 league and cup games, the home team, Club or District must provide two uniformed assistant referees with *Small-Side Referee* qualifications or higher,

Failure to provide the necessary assistant referees will result in a fine being levied.

Clubs or districts that do not provide referees or assistant referees will be subject to reprimand and/or fines.

#### Referee Behaviour

Referees and Assistants should avoid familiarity with team officials, players and spectators.

Should coaches or managers have a complaint regarding the conduct of a referee, the complaint should be directed in writing to their District Referee-in-Chief.

Note: Referees are not to advise or give opinions to team officials or spectators pertaining to League decisions.

#### A Gentle Reminder ...

Disciplinary action will be taken against the offending team official should the referee report excessive disputing of calls or referee harassment.

The referee is in charge of the game. This authority is total and should not be challenged. The referee is under no obligation to explain his actions. The referee may report after game misconduct, see Discipline on page 17.

It is the responsibility of the referee to ensure that the *Laws of the Game* and the league rules are properly applied. Upon a successful protest, based on known breaches of FIFA Laws, BCSA Policies or Procedures or those of the League, a replay or default may be awarded.

See Bad Weather Directions on Page 11.

#### A Not So Gentle Reminder...

Discipline Committees take a very dim view of individuals who feel they have the right to physically threaten or harass game officials. If anyone strikes or threatens to strike an official, the penalties are severe.

#### What Should I do if ...?

Team officials must take all precautions necessary to prevent their players, team officials or spectators from threatening or assaulting (or attempting to) anyone present at a game especially the referee or assistants, before, during or after the conclusion of the match.

Team officials - If a referee asks you to control your sideline or tells you that you must leave the playing area - do so immediately!

If an individual is ejected from the game or is requested to leave, the best practice may be to go to a car and keep the windows rolled up. At the very least they must immediately leave the vicinity of the sidelines and technical/coaching area.

**They are not to take part in the post-game handshake.**

#### BCSA Photo ID

Prior to the start of the game the front and back of all BCSA photo ID cards will be checked by the referee. The referee will then check off the "tick" box on the team list. The photo ID cards will be retained until the game is over, and only the cards of players that have not been ejected will be returned.

See page 8 for other details pertaining to lack of photo ID.

#### Fair Play Handshake

FIFA's Fair Play Handshake policy directs teams to have a pre-game handshake as well as post-game handshake. The 4-District Board suggests that the end-of-match handshake should only be done if both teams are still respectful of each other.

The referee must remain to witness the postgame handshake.

#### Club Linesperson U-11 to U-15 (Parent/Fan)

If you are a "club linesperson", your only job is to call the whole ball "out". At no time shall "club linespersons" call or indicate offside.

Coaches are discouraged from acting as linesperson as it impedes their ability to properly guide their team during the game.

#### A Player Who is Bleeding

A player bleeding from a wound must leave the field of play. He may not return until the ref is satisfied that the bleeding has stopped. A player cannot wear clothing with blood on it.

#### Headwear & Jewellery

Religious headwear may be worn at games, however, all jewellery must be

removed. The only exception is for MedicAlert and religious bracelets but they must be totally covered by tape so as not to cause injury to the player or anyone else. All piercings must be removed.

#### Casts

Providing the cast is completely covered by bubble wrap or foam the referee can make an observation and decide whether it is of danger to the player or anyone else.

**Concussions** – see Important information on page 10.

#### Red and Yellow Cards

All red and yellow cards including League, Cup and In-District Provincial Cup must be reported on the BCSA Discipline Website at bcsoccer.net.

When players, coaches, managers or spectators are cautioned, ejected or reported for their misconduct, these incidents must be explained in a referee's report. Referees must not indicate what penalty they think should be levied. They will make a separate report for each player, team official or spectator. The photo ID must be taken to the Home District's Discipline Representative within 24 hours of the incident. See Page 4 of this Guide for Discipline Representatives.

#### Abandoned Games

Only a referee can abandon a game. Any game abandoned by the referee will be investigated by the Abandoned Games Committee, based on the referee's report and, if required, reports from the two teams. The committee will decide the points, if any, to be awarded for the game, and any further penalties.

**See Called (Abandoned) Games – Page 11.**

#### Cup Games

If you are asked to referee a Provincial Cup or League Cup game, please familiarize yourself with the cup format described on Page 14 of this Guide.

All cup play listed in this Guide uses the BCSA tie-breaking procedures for Provincial Cup play. If after regulation time, the game is still tied, then a winner shall be decided by the application of the applicable CSA Rule.

#### Referee Complaints

Contact your district Referee-in-Chief regarding game official complaint procedure. Generally you will send your complaint to your district RIC who will forward it to the opposing district's Referee-in-Chief if it involves the opposing district's referee. The name of the referee is not a requirement as the RIC will obtain that information during the investigation.

## 4-District Youth Soccer League

### LEAGUE CUP PLAY

The Committee will conduct cup draws for each individual league grouping from U-13 to U-18.

- Gold = Pioneer Cup
- Silver = Commonwealth Cup
- Bronze = Burrard Cup

Dates will be set aside and marked clearly on the schedule for all rounds after Round 1. For third and subsequent rounds of cup play, no wholesale league game cancellations will be made. Only teams still in cup play and their opponents for that league game will have their league games cancelled in lieu of cup play.

League games will be cancelled only for the teams and their scheduled league opposition and will not be rescheduled.

Failure to fulfill your League Cup Finals commitment may result in a game forfeit and a \$200.00 fine to your District.

Dates of cup rounds may be advanced to minimize the impact on league play.

A single game cannot be considered as both a Cup and League game.

The Divisional Liaison will inform teams about cup game fields and times.

All procedures related to AR's, field preparation, team lists, player substitution and length of game are the same as for regular league play.

#### Overtime

Ties are broken with overtime play (2 x 15 min. for U-17 and U-18 and 2 x 10 min. for U-13 to U-16).

Overtime begins after a 5-minute break, the coin toss is called by the home team, and the winner will have a choice of which end they attack. At the end of the first overtime period, the teams change ends, but there is no break.

If a winner has not been determined by the end of overtime, then penalty kicks will be taken.

#### Penalty Kicks

The home team will call the coin toss for the start of the penalty kicks. Whoever wins the toss decides whether to take the first or second kick.

After the coin toss, each team will give the referee a list of five "shooters" in order. All such shooters must have been on the field

at the end of the overtime period. Players that were not on the field cannot participate in any penalty kicks.

The teams alternate through their lists in order until all five players have their shot.

If there is no winner, the referee will proceed with a sixth shooter from each team (no second shot until all players on the field have had a shot).

From the sixth shot onwards, which will be sudden death, the shots will be taken in pairs – one from each team. If both players fail to score, or both players score, pairs will carry on until each pair has taken a shot and one of the pair has missed and the other scores.

#### Called League Cup Games (Abandoned due to Field & Weather Conditions)

League Cup games that are called due to deteriorating field and weather conditions or because of limited time constraints on turf fields for example lights will be considered incomplete.

The Cup game will be rescheduled to restart from the minute that the game was called whether it was in regulation, overtime or during the penalty shots and will be restarted with the same line-up of players both on and off the field and where possible the same game officials will be present.

In order not to cancel more league games to replay Cup games cancelled for any reason, the cancelled Cup games will be rescheduled on an off-league game day. Teams with league games scheduled for a Saturday will play their cancelled Cup game on a Sunday and vice versa. Teams with a league game scheduled for a Friday night will play their cancelled Cup game on the Sunday.

#### Cup Finals

Check the Event Schedule for dates. Specific times and locations will be arranged well before the event and communicated to you by the Tournament Committee and posted on [www.4districtsoccer.com](http://www.4districtsoccer.com).

Teams must arrive at least 30 minutes before scheduled game time. Team lists and ID cards **must be** produced well before the start of the game. This verifies eligibility. Unregistered, improperly registered and suspended players will not be allowed to play.

Practice and warm-up will not be allowed on the field. Keep the area behind the goals clear.

Only players registered with the team and their team officials (to a maximum of three) as listed on their affiliation form, will be allowed inside the fenced area.

#### Game Day Information

Both teams will stand on the same side of the field.

Only water is allowed in the game area. Alcoholic beverages of any sort, for any purposes, are not permitted.

The game ball is provided by the home team.

If there is a clash of colours, the "home" team (as listed on the left hand side of the draw sheet) must change uniforms to the satisfaction of the game officials.

At half time, there will be a 5-minute break.

Note: There will be no overtime in Cup finals. Games tied at the end of regulation time will be decided by penalty kicks.

Immediately after the game, both teams must gather their equipment and go directly to the awards area. Winners and runners-up pennants will be presented to each participant. The league trophy will be awarded.

#### DISCIPLINE

Players or team officials ejected or reported for misconduct from a League Cup Finals game must immediately leave the field area and not be involved in the handshake line. They are also required to attend a discipline hearing usually scheduled for the Wednesday following the incident.

#### Provincial & BCSA Cup Play

There are two levels of play for provincial competition. The Provincial Cup leads into National Championships and is open to all teams that wish to play. MSL (Select) league teams and teams in U-13 Gold must enter the Provincial Cup and cannot enter BCSA Cup play.

See BCSA at [bcsoccer.net](http://bcsoccer.net) for format and information regarding Provincial and BCSA Cup.

#### In-District Provincial Cup Discipline

While playing "in-district", Provincial Cup red and yellow cards will be dealt with by the 4-District Discipline Committee.

## 4-District Youth Soccer League

### PROTESTS & APPEALS

#### Submitting a Protest

See new Protest Form on 4-Districtsoccer.com or your district website.

If you have knowledge of the basis for a protest before the game, you must advise the referee that you are going to play the game under protest. Many protests are denied because of a failure to notify the referee prior to the game.

Team officials may protest any scheduled game. All protests must be submitted in writing to the Protest Committee.

Before you send a protest consider whether it might be a complaint instead. Complaints may go directly to the 4-District Secretary or, if a discipline issue, to the Discipline Committee.

See Communications on Page 4 for Protest/Appeals Committee information.

Protests must include:

- Date and time of game
- Teams involved
- Division
- Field and location
- Type of game
- Contact name, email address and phone number.

All protests must be signed by the registered team official and submitted within 48 hours of the date of the match to which it relates.

#### The "Grounds" for Protest

A protest will only be considered on the grounds of:

1. Interpretation of the FIFA Laws of the Game
2. On the eligibility of players, or
3. On breaches of Competition Rules and Regulations.

You must state which of these grounds is the basis for the protest.

You cannot protest a game based on the referee's judgment of the 'facts' of the game (e.g. was a player offside? Did a player handle the ball?).

Any protest related to the field, posts or game equipment would be denied unless it is brought to the referee's attention before the game and the referee feels that the problem seriously affected the outcome of the game.

All protests must be forwarded to the two Protest Committee Members (see Communications page 4 for particulars).

Upon filing a protest a cheque for \$250 payable to the "Four District Soccer League" must be received by the 4-District Treasurer at 788 E. 30<sup>th</sup> Avenue, Vancouver, BC V5V 2V9.

Any protest emailed to the league shall be considered "signed." However, the protest will not be dealt with until the protest fee is received by the 4-District Treasurer. Please note the 48 hour deadline.

Upon a successful protest, based on known breaches of FIFA Laws, BCSA Policies or Procedures or those of the League, there may be a replay, default may be awarded or the results may stand.

If the protest is upheld, the fee will be returned. If the protest is denied, the fee will be retained.

See Bad Weather Directions on Page 11.

#### If a Protest is Considered...

The Protest Committee will forward a copy of the protest to the opposing team (within 48 hours of receiving the protest), and request their written response. The referee will also be requested to supply a written report to the committee.

After reviewing these documents the Protest Committee's decision will be conveyed in writing to both teams.

#### Cup Protests Other Than 4-District and Provincial Cup

Any protest for in-house cup including In-District BCSA, Coastal and Provincial Cup, North Shore Community Cup and Richmond Cup must be directed to your District.

#### Provincial Cup Game Protests

All protests regarding Inter-District Provincial Cup games at both the Provincial "A" and BCSA "B" levels must

be submitted directly to the BCSA Protest Committee in accordance with their procedures. In no case will any other body make decisions.

#### Appeals of Scheduling Decisions

Decisions of the Scheduling Committee can be appealed to the 4-District League Board.

Such an appeal will **only** be accepted if it is based on the decision contravening a league or BCSA rule or regulation.

You cannot appeal a decision, which the rules say the Committee is entitled to make but you do not like (e.g. you want to be in a different division).

Such an appeal must be forwarded to the League Secretary, accompanied by a cheque for \$250.00 made payable to the Four District Soccer League, within 48 hours of the issuance of the decision.

#### Appeals of Decisions made by the Board or its Committees

All appeals of the 4-District League Board, Protest Committee, Abandoned Games Committee or Discipline Committee rulings must be made to the BCSA Appeals Committee, either by mail, fax or email within 10 working days of the rendering of the decision.

The format of the appeal is the same as a protest, except that you are appealing the decision itself and must include a copy of the decision from the Protest Committee.

Upon request the Protest Committee will forward all information they used in their decision making directly to the BCSA.

A cheque payable to the "BC Soccer Association" for the \$500 appeal fee, must accompany the appeal.

Please note that the decision of the committee shall remain in affect pending the result of the appeal.

Further appeal is possible – ask the BCSA to provide details if you wish to appeal their decision.

## 4-District Youth Soccer League

### DISCIPLINE

#### General

It is the responsibility of team officials to inform their players that they can be expelled for the following:

- Persisting in misconduct (two yellow card offenses in the same game)
- Denying a goal scoring opportunity
- Offensive, insulting, abusive language and/or gestures
- Serious foul play
- Violent conduct
- Spitting at an opponent or any other person

**IMPORTANT:** If a player or team official is ejected from a game they **MUST NOT** participate in the post-game handshake.

Out of professional courtesy referees generally don't show the red card to team officials.

Referees can submit misconduct reports for players, team officials and spectators even after a game is finished.

If a team official has concerns regarding misconduct of players, team officials, or fans from the opposing team, a neutral Representative may be asked to attend the match.

All players, coaches and managers taking part in the League are subject to the decisions of the Discipline Committee. This committee, with a representative from each district, generally holds discipline meetings at 7:00 p.m. every Wednesday evening at:

- Willingdon Heights Community Centre  
1491 Carleton Avenue, Burnaby, BC

Team officials should be prepared to attend, with their player/s, the Wednesday immediately following the ejection.

The League, or one of its committees, may investigate complaints from team officials, abandoned games, teams with excessive cards, excessive no-shows or forfeitures, misconduct of teams, officials, spectators, or violation of field closures. The Discipline, Protests/Appeals or Abandoned Game Committees may request the posting of a Performance Bond and/or fine in keeping with the Fine and Performance Bond Schedule (see Pages 19 to 21).

When lengthy suspensions are levied the committee will consider the seriousness of the offense, the time of year: mid-season break and end of season.

From time-to-time, the Discipline Committee may ask a team official and/or spectator to attend a "discussion" meeting

to investigate a discipline matter brought to their attention that did not result in an ejection or referee's misconduct report. Failure to Appear rules apply in this case should the team official decline to attend without good cause.

Complaints: The committee will not deal with issues/complaints that cannot be corroborated by the game official.

#### "Exhibition" or "Friendly" Games

While the League does not schedule "exhibition" or "friendly" games red and yellow cards received in "exhibition" or "friendly" games will be reported by the referee and will be subject to normal discipline procedures.

#### The Discipline Hearing

Once the referee's report has been received and a discipline hearing date has been set, a District Discipline Committee member will call the team official. It is the team official's responsibility to call the player.

If you haven't received a call by Monday evening please call your District Discipline Representative.

All red cards require attendance at a discipline hearing. Failure to attend when called may result in an indefinite suspension.

A Notice of Indefinite Suspension requires that the individual be notified of such action and is indefinitely suspended from **all** youth soccer activities including refereeing.

#### Failure to Appear

Any team official or player failing to appear at scheduled discipline hearings or on a date specified by a District Association shall be suspended until the case has been dealt with by the Discipline Committee.

Players and team officials once placed under indefinite suspension shall **not** participate in **any** soccer activities. Should any individual continue to participate in youth soccer activities after being placed on indefinite suspension, they shall be required to appear before a Provincial Board Discipline Hearing.

The Discipline Committee will decide at the hearing what additional penalty, if any, will be imposed on the person who was ejected or reported for misconduct. The Committee can issue additional suspensions within the guidelines established by the Canadian Soccer Association and BCSA.

See Right to Appeal on page 19.

#### The Automatic One Game

As per FIFA, all red cards carry an automatic one game suspension. This game is served automatically by sitting out the very next league or cup game (whichever comes first) after the game in which the red card was received.

#### Yellow Card Cautions

Multiple yellow cards have the same automatic one game provision. Anyone with three yellow cards in one season (not to be confused with two yellow cards in one game) must sit out the team's very next game. The team official must wait for a call from their District Discipline Representative confirming that it is, in fact, the player's third reported caution of the season. Do not sit out the player until you receive this call. You may, however, contact your rep through the season to inquire as to how many cautions a player has.

The player does not have to attend a discipline hearing for receiving three yellow cards in a season.

#### Serving Your Discipline

A game must be played to its conclusion for the purposes of serving a suspension. Games cancelled because of abandonment, weather conditions, a stoppage in schedule or by forfeiture, or for any other reason do not count as a game suspension completed.

Draw a line through the names of suspended players' or team officials' on the team list. A suspended player may attend games but may not be in uniform or be involved in any way.

Suspensions must be served by "sitting out" already scheduled league or cup games.

Suspensions cannot be sat out in exhibition or tournament games. Teams cannot manipulate make-up games to "work off" a levied penalty.

Suspended team officials must arrange for someone else to fill their position, and inform their discipline representative of that person's name and phone number.

A suspended player or team official may attend games, but must stay a minimum of 50 feet back from the sideline. In other words, away from the immediate area. Team officials must not coach verbally, by hand signals or any other means and must not fraternize with the players, coaching staff and fans to avoid being suspected of coaching. The players must be told not to approach suspended team officials before, during or after the game. Also, such

## 4-District Youth Soccer League

### **FINES & PERFORMANCE BONDS**

After thorough investigation, the Board or the Discipline, Protests or Appeals Committee, on behalf of the Soccer League, may levy a fine or a Performance Bond for a specific period of time and purpose, and, may set further terms of punishment for non-compliance.

Any offense listed on the schedule shall be reported to and ruled upon by one body.

A bond is to guarantee good behaviour of the team (officials, players and fans) including league and cup. This generally means that an individual or team has behaved in a manner considered to be unbecoming a member, therefore, that person or team must behave in a manner that does not bring the game into disrepute by following the 4-District Guide's Code of Ethics. See page 3.

A fine or bond may be levied up to and including the amount set out in the attached schedule except in the case of extreme discipline circumstances when more severe fines and/or bonds, up to \$5,000, and other discipline may be imposed.

Fine and bond payment will be the responsibility of the district or club with which the team is affiliated.

The request to post the bond will be sent to the District and copied to the Club.

In the case where a team official or spectator has been reported for misconduct, a fine and/or a bond may be levied with or without assessing a suspension.

The Board will deposit all bond cheques and is not required to pay interest on any bond levied.

#### **Procedure**

The Board, the Discipline Committee, the Protest Committee, or the Abandoned Games Committee will act only on written misconduct reports, match game reports or formal complaints.

The assessment and payment of fines for violation of the FIFA Laws of the Game or league operating rules shall be in accordance with the rules and regulations of the governing authority.

Persons reported for offenses listed on the schedule will be given the opportunity to respond in writing to the Board, the Discipline, Protest or Appeals Committee before a decision is made. In some instances, an appearance at a discipline hearing will be required.

If a hearing is necessary, the club and team officials will be duly informed and a hearing shall be conducted in accordance with the BCSA's hearing procedures.

Should a fine be assessed, the decision will be communicated in writing to the club, team and district association.

The Board Secretary will be informed that a fine and/or Performance Bond has been assessed.

Fines and Performance Bonds become due immediately. The League Treasurer must receive payment within 10 days of the hearing or notification of said fine or Performance Bond. Failure by the team officials or their club to pay will result in the team being suspended from the district

and league sanctioned soccer activities until the assessed amounts are paid.

If the performance bond or fine imposed continues to remain unpaid then the Board will have the option to withdraw services from the club until the assessed amount is paid. The performance bond money will be returned once the team's commitment to all league and cup games, including Provincial Cup, has been completed unless there are extenuating circumstances that is cause for the bond to go beyond the end of the season for example seriousness of the offense, persistent misconduct, time of season, mid-season break.

#### **Rights of Appeal of Fines & Bonds**

As per BCSA Rule 13, appeals must be filed with the Executive Director, BCSA, #510, 375 Water Street, Vancouver, BC V6B 5C6 within 10 working days after the issuance of the committee's decision.

Appeals must state in writing the grounds upon which the appeal is lodged.

A concise submission stating the by-law, rule or regulation that has been contravened and setting out clearly in what respect the decision is alleged to be wrong.

The affiliated coach, manager or official must sign the appeal.

The fee of \$500.00 (made payable to BCSA) must accompany the appeal filed with the BCSA.

The Fine, Performance Bond fees and/or levied suspensions will remain in effect pending the result of the appeal.
